GOD'S WORD TODAY

Today's celebration of the Epiphany of the Lord serves as a reminder of the true meaning of the liturgy. The story of the visit of the magi from the east has been depicted in Christian art for centuries. We have invented names for these three mysterious figures. We have ascribed race and ethnic origin to each of them. Some traditions claim that there were up to twelve magi. The only evidence we have of these magi is from just one of the four Gospels, the account we hear from Matthew today. The Church's liturgy asks us to look beyond the words and the traditions that have grown up around this story. The liturgy is for today—it is not a sentimental recalling of past events. At the heart of today's celebration of the Epiphany of the Lord serves as a reminder of the true meaning of the liturgy. The story of the Lord is manifested to you today. Take the Epiphany challenge and find ways that you can share Christ with others, creating an endless circle of epiphanies.
