

***New Evangelization, New Priests, New Life in the Church
SHARE IN MISSION IS THE WAY!***

PROMISE OF POVERTY– Josephites receive a most salary of \$14,000 to \$20,000 if the parish can afford to pay. All Josephites who receive a salary take a \$250 per month stipend and give the balance of their salary to help support the Society’s ministry.

PAYING FOR FUTURE JOSEPHITES – 15 men are in formation to become priests. There is no greater gift to the world than the Sacraments, especially the Eucharist, for which we need priests. Once we find men who are willing, it takes up to 10 years to prepare them for ordination and ministry. We need your prayers and contributions to find men in our parishes and in Nigeria who will continue to minister in “The Josephite Way.”

CARE FOR RETIRED– Although retired from active ministry due to age or health, this community of Josephites continues to serve through daily prayer, celebration of the sacraments, and advice and inspiration to those engaged in active ministry. Those in our retired community often work in ministry without pay to better serve a parish.
